

Product Discontinuation Notice

E-Disk[®] VME SCSI Narrow

PDN-MK-017-00

January 4, 2008

Overview

Effective March 31, 2008, BitMICRO Networks, Inc. is discontinuing its E-Disk[®] VME SCSI Narrow plug-in SSD. This product will eventually be replaced with new solutions that offer highest performance and capacities.

As part of BitMICRO Networks' product discontinuation policy, this notice is being issued to assist in systems planning.

Affected Products

E-Disk[®] VME SCSI Narrow Models 6S10V and 6S20V

Key Dates

Last date for placing orders: June 30, 2008

Last date for shipping orders: September 30, 2008

Recommended Replacements

Availability of recommended replacement product would be announced as soon as a new BitMICRO solution becomes available.

Warranty Information

The [standard warranty](#) remains in effect for all products affected by this discontinuation notice. If replacement is required as part of warranty coverage, the affected units will be replaced with currently supported models free of charge. Furthermore, warranty end date of replaced product will apply to the new replacement unit.

End of Support Information

Although products listed above will no longer be available for ordering after the last order date, customer support will be available for the products listed until October 30, 2009.

Additional Information

Should you have any questions, please do not hesitate to contact your BitMICRO Sales Representative at sales@bitmicro.com or at 510-743-3475.
